Logging In

Step 2: Accessing the journey

Once logged in, you'll be taken to Business zone.

If you aren't taken to Business zone, you'll need to arrange access via your company administrator.

The screenshot displays the 'Business zone overview' dashboard. At the top, there is a navigation bar with tabs for Overview, My orders, Repairs and Faults, Inventory & Reports, Billing, My apps, and My briefings. Below this is a dark header with the text 'Business zone overview' and a search bar labeled 'Enter the reference number'. A 'Help' icon is visible in the top right corner.

The main content area is divided into several sections:

- Order status:** A table showing order counts for various statuses: Saved (1), Pending (38), Cancelled (5864), In Progress (1612), and Completed (35780). A 'Go to Orders' link and a 'Place a new order' button are present.
- Fault status:** A table showing fault counts: In Progress (3742) and Closed (393). It includes a 'Go to Repair & Faults' link and a 'Raise or Track a fault' button.
- Actions required:** A blue sidebar containing two entries: 'Reference 1-16441882835 Customer to Accept/Reject SHO' and 'Reference 1-16861878396 Customer to Accept/Reject CPD'. A 'View all' button shows '1-2 of 21195' items.
- Important updates:** A section with a warning icon and text: 'Planned Engineering Works You have 392 Planned Engineering Works that affect your services'. Below it, a 'Major Service Outages (MSO)' section is partially visible.
- Inventory:** A section with a 'Place a new order' button and a 'Go to Orders' link.
- Frequent tasks:** A list of tasks with icons: Broadband briefings, Broadband One fault KBD diagnostics, Business Portal, Create a new Ethernet quote, and eCo Repair.

Logging In

Step 2: Accessing the journey

Click on 'Raise or Track a fault'

The screenshot shows the 'Business zone overview' dashboard with the following components:

- Navigation:** Overview (selected), My orders, Repairs and Faults, Inventory & Reports, Billing, My apps, My briefings.
- Search:** 'Enter the reference number' search bar with a magnifying glass icon.
- Order status:** A list of order statuses: Saved (1), Pending (38), Cancelled (5864), In Progress (1612), Completed (35780). Includes a 'Go to Orders' link and a 'Place a new order' button.
- Fault status:** A list of fault statuses: In Progress (3742), Closed (393). Includes a 'Go to Repair & Faults' link and a highlighted 'Raise or Track a fault' button.
- Actions required:** A blue sidebar with two entries: 'Reference 1-16441882835 Customer to Accept/Reject SHO' and 'Reference 1-16861878396 Customer to Accept/Reject CPD'. Includes a 'View all' link and a pagination indicator '1-2 of 21195'.
- Important updates:** A section with a warning icon and text: 'Planned Engineering Works You have 392 Planned Engineering Works that affect your services'. Below it is a 'Major Service Outages (MSO)' section.
- Frequent tasks:** A list of tasks with icons: Broadband briefings, Broadband One fault KBD diagnostics, Business Portal, Create a new Ethernet quote, eCo Repair.
- Inventory:** A section with a gear icon and an 'Account: Select' dropdown.

Search for your fault

Step 3: Search for your fault

- Select 'Track a fault'.
- Enter either the Service ID or the fault reference.
- **Please Note** – If you track the fault using Service ID you will be displayed current open fault along with any historic faults raised.
- Click 'Go'

Overview | My orders | Repairs and Faults | Inventory & Reports | Billing | My apps | My briefings | Administration

Fault Homepage

Quick start

Please select what you'd like to do, enter your Service Id, Directory number or Fault reference, then click 'Go'.

I want to:

Search for your fault

Step 3: Search for your fault

- You will see the following screen if you used Service ID to track your fault. As explained on previous slide you will be given current open fault and historic faults reported into BT Wholesale.
- Click the hyperlink under BT reference on the Open Fault.
- Please Note** - If there are no historic faults reported you will not see the following screen and can move onto the next slide

You can change your filter conditions, date period or refresh the current data on screen via the options below, please select apply filter to submit changes related to the filter options or date period.

Service id:
